

# NOT EVEN IN OFFICE, AND ALREADY SPINNING.

BJ sent an attack mailer. Here is Molly's response to BJ's spin.

- MOLLY VOTED AGAINST ROADS
- MOLLY VOTES WITH DEMOCRATS
- MOLLY SCORED LOW ON A SCORECARD
- MOLLY VOTES NO ALL THE TIME

**SPIN DETECTED**

## ★ FOUR CLAIMS. MOLLY'S RESPONSE. ★

### 1 ROADS MOLLY BACKED THE BETTER ROAD BILL.

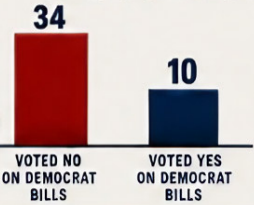

HB 2758 delivered to \$75 million for county roads and bridges. Molly supported it. BJ's HB 4280 was the smaller bill and tied transportation funding to red tape. It stalled. Molly backed the better approach.

### 2 SCORECARDS A LOW INSIDER SCORE? MOLLY IS FINE WITH THAT.

BJ's favorite insider scorecard rewards corporate giveaways and state-managed economics. Molly scored 100% on the Oklahoma Constitution Conservative Index — the grassroots gold standard since 1979.

### 3 DEMOCRAT BILLS 78% NO.

In 2026, Molly voted NO on 34 of 44 Democrat-sponsored bills — ranking second in the House for voting no on Democrat bills.

### 4 VOTING NO YES — MOLLY VOTES NO.

Molly reads the bills. When they grow government, create new fees, or betray our values, she votes NO. That's representation, not rubber-stamping.

# ★ MOLLY JENKINS READS THE BILLS. THAT'S WHY THE LOBBYISTS WANT HER GONE. ★

# 947 VOTES. 0 MISSED.

*Molly Jenkins never walked a vote.*

### WHEN THE ATTACKS COME, ASK MOLLY.

BJ Roberson is spending thousands of dollars hiring the state's most controversial muckrakers, as featured in the attached News 4 story. In Molly's view, these are the most deceptive dark-art political operatives in Oklahoma politics, and they are likely to continue the spin and attacks.

Between BJ's attacks and the secret dark-money attacks, voters have already seen an unprecedented level of **muckraking** campaigning.

Molly is always happy to answer every inquiry personally. Whenever there are concerns, she wants to address them.

OKLAHOMA CITY (KFOR) — The man behind a political group running a controversial AI-generated attack ad in Oklahoma's governor's race also holds a top position at the firm running a different candidate's campaign—raising questions about whether the two are illegally

### THE ONLY TWO STATE REPS TO GO 947 FOR 947.

In 2026, Molly Jenkins and Jim Shaw — the two state representatives serving Payne and Logan counties — did something exceptional: they did not miss a single vote out of 947 votes. They were the only two state representatives to accomplish this feat.

That means Molly never 'walked' a vote — a technique some legislators use, with some missing hundreds of votes, to dodge accountability to their voters. Molly believes voting is the most important part of the job, and she will never intentionally miss a vote.
