ANOTHER ANGRY ATTACK FROM BJ

BJ ROBERSON IS ATTACKING MOLLY JENKINS
FOR REFUSING TO SUPPORT YET ANOTHER
COSTLY INSURANCE MANDATE.

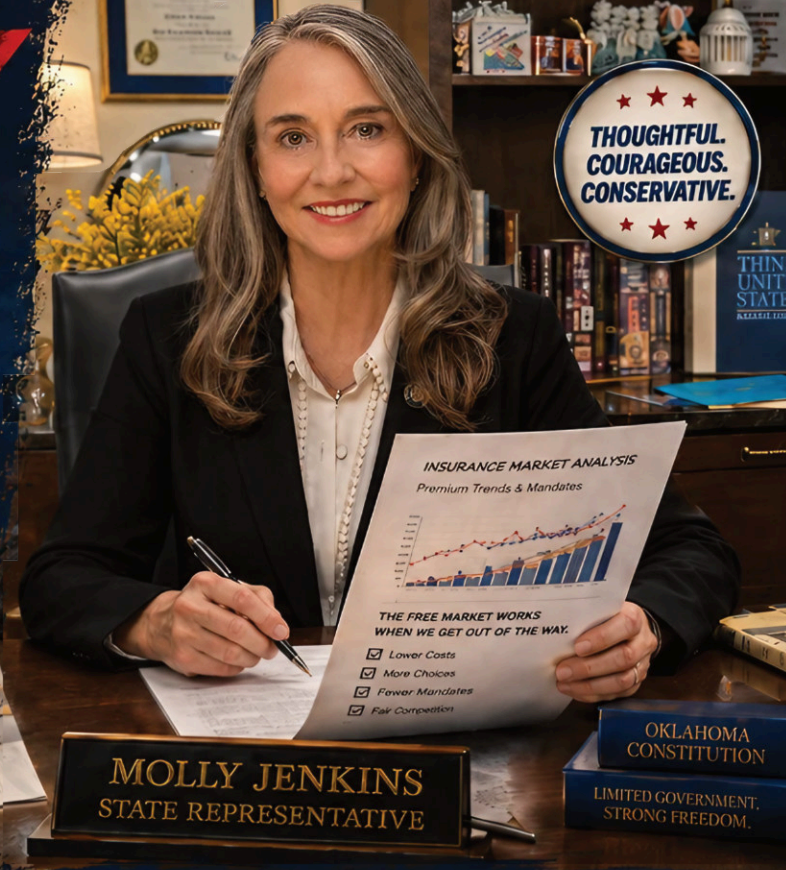

HOUSE BILL 1389 is one more example of government telling people what insurance they must buy. For years, foolish legislators have piled on costly mandates that drive up premiums and distort the free market.

MOLLY JENKINS TOOK THE COURAGEOUS STAND. She said no to another mandate — because thoughtful conservatives should protect the market, not force more expensive coverage on Oklahoma families.

WHILE BJ PANDERS for the easy political answer, Molly does the hard work of understanding complicated issues and standing for real conservative principles.

MOLLY JENKINS SAID **NO** TO HOUSE BILL 1389.

BJ AND THE OKLAHOMA CITY SWAMP

BJ IS SPENDING THOUSANDS WITH THE SAME POLITICAL MUCKRAKERS BEHIND THE FAKE MIKE MAZZEI / HILLARY CLINTON VIDEO. NOW THEY'RE ATTACKING MOLLY JENKINS.

1. SAME MUCKRAKERS. SAME DIRTY TACTICS.

BJ is paying thousands to the same political muckrakers who created the now-infamous fake Mike Mazzei / Hillary Clinton video. **It was fake. It never happened.**

2. WEEKS OF SMEAR ATTACKS.

For weeks, BJ and dark-money groups have been attacking Molly Jenkins with smear pieces and desperate attacks.

3. BACK TO THE SWAMP DAYS.

The swamp is desperate to take House District 33 back to the days when lobbyists and insiders controlled the representative with thousands in lobbyist dollars.
