NO LOBBYIST MONEY

APPROVED & PAID: MOLLY JENKINS FOR HD33, 2026

THE CLAIM:

Molly voted against a bullying bill.

THE FACTS:

✓ Molly opposes one-size-fits-all mandates from Oklahoma City. These issues should be resolved by parents and local school officials — not dictated by politicians.

THE CLAIM:

Molly voted against health screenings.

THE FACTS:

✓ Molly voted against an insurance mandate. These mandates drive up premiums and limit freedom in the marketplace. Politicians and lobbyists should not decide what insurance families have to buy.

THE CLAIM:

Molly voted against retirement benefits.

THE FACTS:

✓ Molly supports retirement benefits only when they are fully funded. Giving away benefits without paying for them shifts the cost to future generations and invites fiscal disaster.
