

THAT'S THE GOTCHA?

They went looking for lobbyist money... and came back with this.

A "legislator" gave to Molly's campaign.
-- Allegation by BJ Roberson.

→ That legislator?
STATE SENATOR RANDY GRELLNER
-- her constituent.

YOU ARE THE JURY

1 MOLLY JENKINS MADE A COMMITMENT TO YOU:

She will always refuse the many thousands of dollars that lobbyists give to incumbent legislators. She doesn't want there to be any question about her motives.

LOBBYIST MONEY

2 MOLLY JENKINS IS THE FIRST REPRESENTATIVE IN MODERN HISTORY IN HOUSE DISTRICT 33 TO MAINTAIN A 100% CONSERVATIVE INDEX SCORE.

When reps take that kind of money, it affects their votes—and betrays our values.

3 DR. RANDY GRELLNER, MOLLY'S CONSTITUENT AND CONSERVATIVE STATE SENATOR,

donated \$1,000 to Molly's campaign. He and Molly co-author each other's bills and work together for conservative values.

4 BJ ROBERSON, WHO HAS SAID HE WILL TAKE LOBBYIST MONEY,

mailed a publication to voters accusing Dr. Grellner of taking lobbyist money and criticizing Molly for accepting his support.

5 MOLLY'S POSITION IS CLEAR:

She refuses all money from lobbyists and their employers. She also turns down money from politicians—with one exception: her constituent, Dr. Grellner, the only other legislator who lives in House District 33.

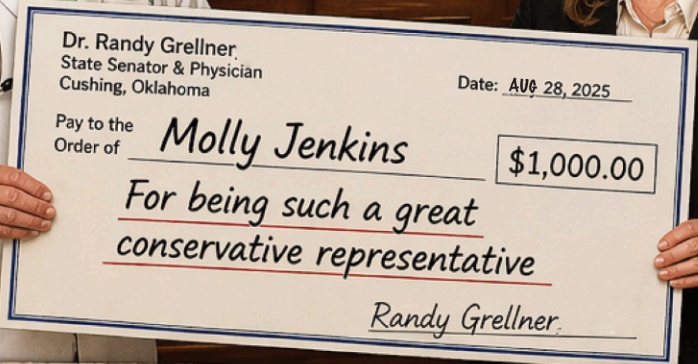

PRINCIPLE OVER POLITICS

THE FACTS. YOU DECIDE.

I WILL TAKE MONEY FROM THE LOBBYIST, BUT YOU SHOULDN'T ACCEPT DR. GRELLNER'S SUPPORT!

BJ ROBERSON

HAS SAID HE WILL ACCEPT LOBBYIST MONEY.
